CONSTRUCTION ALERT

December 7, 2007

FOR IMMEDIATE RELEASE

US HIGHWAY 89*

Traffic has been switched to the new alignment of US 89 at the Country Club Drive intersection. To facilitate the roadway tie-in, US 89 will be narrowed to two northbound and two southbound lanes just south of Cummings Street. A small southbound detour will allow crews to finish the realignment.

- Monday, Dec. 10th through Friday, Dec. 14th
7 a.m. to 5 p.m.

Crews hauling materials from the work zone to an offsite storage facility will require lane closures of US 89 at historic Route 66. One lane will remain open in each direction at all times. Please be alert for construction equipment moving through the work zone.

- Monday, Dec. 10th through Friday, Dec. 14th
8 p.m. to 6 a.m.

* Flaggers will be on site

In the event of equipment failure or inclement weather, the work schedule may be altered or suspended without notice.

ADOT appreciates your patience and your continued cooperation while we work to improve the US 89 and Country Club Drive Traffic Interchange. Please remain alert for construction personnel, flaggers and equipment while driving through the construction zone.
